Show @ 9:00;  
Last 1/2 day of  
school - Dismiss  
@ 11:00

5/17 - ENJOY  
YOUR  
SUMMER!!!!

## Campbell's Hoot & Holler

This is the last Owl Newsletter. Summer is upon us and I think the students are pretty pumped.

Last night's Showcase was a great opportunity for students to present their learning that has taken place these last few weeks. Thank you to all the parents and students who came last night. The students enjoyed showing off their hard work and presenting to a different audience. I know the Showcase was "just one more thing" for the

month of May, but if you ask me, it was the best.

State Assessment results are in and students' results will be sent home next week. Teachers will go over with their classes how they are scored and there will be a note explaining the scoring for parents as well. The third diagnostic is complete for i-Ready and those results will be sent home next week as well.

As the school year comes to an end, the students deserve a break, just not all summer long. Please encourage students to read, read, read over the summer.

Set up a routine where some type of school work is part of their day. Have students be part of the library reading program, make flash cards for them to practice math facts or site words, get creative on vacations to open their eyes to learning through experiences, and so much more!

I hope everyone has a fantastic summer full of ball, swimming, playing, and reading! I will miss everyone throughout the halls, but am excited for what will be new next year!

Jenny Campbell, Principal

### One Minute Share

Students took the opportunity to make their 8th grade family member feel special. Students shared positive things about their 8th grade family member and wished them well for next year. Our families are over for the year, but hopefully they'll see each other this summer.

Congratulations to Emily Brittain! She raised the most money for the American Heart Association challenge. She raised \$270. Nice Job Emily!

Our HSO Officer positions are filled! Thank you to Katie Tomson, Molly Eck, Jenny McFadden, & Lisa Hansen
