- 2/19: NO SCHOOL

The Owl

VOLUME 4

JANUARY 26, 2018

Campbell's Hoot & Holler

Thank you to all the families who participated in filling out of booklets and/or selling magazines for our library fundraiser. The students did great! I'd also like to say thank you to the families who have been donating items for the HSO Bingo Night! The items trickling in for the baskets and auction that night are fantastic! We have such great support here and all of us at GPE appreciate your generosity.

The weather has been warming up in the afternoon and with the nicer afternoons, we have more coats piling up in the lost and

found. Just a suggestion, but names in hoodies, coats and jackets would help teachers and staff know who the coat belongs to right away instead of going to the lost and found forever. Outer wear is expensive and I hate to see owners not found.

Roller skating has been quite entertaining to watch during PE class. The students are getting SO GOOD! I'm impressed. I hope the students have been enjoying this learning opportunity and have gained a new skill if they didn't know how to skate already.

The second semester is full of many new academic concepts for your students. Please do not hesitate to communicate with teach-

ers your child's successes or frustrations with new concepts. There are many resources available for students to use at home if they are not understanding new material, but it is very important they complete and try their practice at home. If students do not have extra practice to complete at home, they will always have "homework"...READING! Reading 20-30 minutes a night fosters a love for reading and increases success in ALL subject areas. Please continue to have your child read, read, and read some more.

Warm regards,
Jenny Campbell, Principal

Scholar's Bowl

Our first Scholar's Bowl meet at home will be on Thursday, February 1st. Good luck to our 7th and 8th graders! I can't wait to see the academic brain juices flowing!

MS Dance

There is a middle school dance (grades 6-8) for Renwick students only, at Andale's Old High School Gym on Saturday, February 10th from 7-10. Hope all our kids get out there and cut a rug!

Enrollment has begun for our preschool and kindergarten programs. Please visit our website or call the office for detailed information and the forms to complete. Early childhood development can give students a head start on their educational journey. Please spread the word to neighbors, family and friends about our wonderful preschool program and kindergarten classes.

Counselor's Corner...

Word of the Month: HONESTY

Honesty is displayed by being truthful in what we say, what we do not say and how we act. We make the choice in whether we are honest or dishonest. Every K-5 student took the Honesty Oath as a class to tell the truth, play by the rules, admit when they are wrong, not exaggerate the facts and not to take things that do not belong to them. Honesty is something that we all are going to strive to achieve here at GPE.
