- 2/11 - BOE Meeting @ 7:00

Campbell's Hoot & Holler

Let's hear it for February! Hopefully the bitter cold weather will move out with the month of January and we can start having some nice days.

Today the students attended an assembly on Pennies for Patients. I talked about this program in a previous newsletter. Students will be raising funds for The Leukemia & Lymphoma Society throughout the month of February. We have some fun competitions with prizes planned throughout

the course of the month. This shouldn't be stressful, just loose change can be brought to school. I will attach the flyer explaining this program in more detail with the newsletter.

Hopefully you received a letter home explaining the HSO BINGO silent auction baskets for each grade. We have involved the students in the basket theme planning and are impressed with the great ideas they came up with. Please help support our HSO and either donate through an item or cash donation. I have attached another letter explaining the baskets with

the newsletter. BINGO is scheduled for Sunday, March 24th, so mark your calendars and be ready for a fun event!

Next Friday, the 8th, look for our Sign Up Genius for conferences to be emailed out at 3:00. Conferences are an important piece in parent/teacher communication. Thank you in advance for signing up and taking the time to visit with your child's classroom teacher.

Enjoy the nice weather Sunday along with the Super Bowl (Still hurts the Chiefs are not in it).
Jenny Campbell, Principal

School Counselor Appreciation Week

February 4th kicks off school counselor week! I'd like to take this opportunity to say thank you to Mrs. Hatfield for all she does for our students! Mrs. Hatfield visits classrooms monthly and discusses different character lessons, sees many students one-on-one, helps with middle school character education, and is a great asset for our Social-Emotional Learning piece of education.

THANK YOU Mrs. Hatfield! We appreciate all you do for GPE!

Family One-Minute Share

The 100th day of school is next week. The one minute share was "What is one thing you love about our school and what is one thing you'd like to see changed." They then helped create a 100th day display for the school.
