VOLUME 8

MARCH 2, 2018

Campbell's Hoot & Holler

Spring has sprung! The warmer temperatures have been welcomed from staff and students. Outdoor recess is back in action, which means so is the over abundance of jackets in our lost and found. Any time parents are in the building, it wouldn't hurt to look at the rack right by our front doors for belongings.

We'd like to give a huge THANK YOU to all our families who purchased books/items from the book fair this year! Like always, your support is greatly appreciated and goes to help fund our library. Hopefully the

students have enjoyed their new books!

On March 13th, our 7th and 8th graders will be participating in a pre-contest concert in Andale. This concert will allow them to practice their pieces in an auditorium for their league meet in April. It will also give them the opportunity to hear other choirs perform contest pieces. Please have students at Andale's high school auditorium by 6:30.

The end of the nine weeks is next Friday. You can always check grades for students in third through eighth on Go.Edustar, but reports cards are available after the 9th. The learning taking place in classrooms is definitely higher level and is

allowing our students to be critical thinkers. Second semester is an exciting time of the year. New material is being taught all the time! Attendance is extremely important during these times. Missing just a few days can put students well behind the rest of the class.

With second semester also comes state assessment testing. Grades 3-8 will participate in state testing. Once schedules are finalized, they will be shared with parents so if you have to make appointments, you try to avoid test times. All testing will begin after Spring Break.

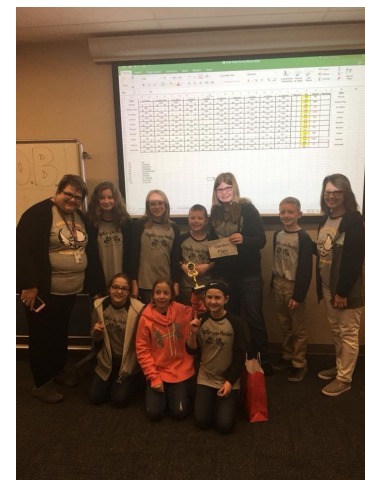

Hope to see you all at BINGO next weekend,

Jenny Campbell, Principal

A message from our HSO

Please do not forget about selling raffle tickets for our BINGO fundraiser! Pizza party to the class who sells the most! Right now, Mrs. Hampton's class is in the lead, but the count is EXTREMELY close! Last day to hand in raffle tickets is Friday, the 9th. Sell, sell, sell over the weekend!!!

Congrats to our 7th and 8th grade Math Relay teams. 7th grade placed 4th in league and 8th grade placed 1st! Our Science Olympiad team took 2nd in league! Our 7th and 8th graders did an excellent job!

Our FIRST place in league Battle of the Books Team! So proud of all of you!
