3/25 & 3/26 - Middle School ACT Aspire Test

3/29 - HSO BINGO @ 1:00

Campbell's

Hoot & Holler

Once spring break is over, the final quarter of the year will be a whirlwind. Middle school is starting track, baseball/softball practice begins, state testing is in full swing, and then it will be May!

We definitely have spring fever here at GPE. We've had many conversations about being kind to one another and how to be a good classmate. Keep encouraging students at home as well that they don't have to be best friends, but we all have to get along with each other. Good lessons to continue to talk about, especially when students have been in the same class with students for three nine-weeks now.

An email went out from our Superintendent Mrs. Bruce on the Coronavirus and the District's steps of action we have in place. KSDE has asked that all schools stop handshakes, fist bumps, and other forms of greeting that require touch. This is a part of our daily routine, with teachers greeting students at their classroom doors every morning, so we will have to adjust accordingly. We will continue to remind students as well, for they all have a handshake they share with their Owl Family members. Hopefully with the proper precautions, our students will remain healthy!

Students received raffle tickets to sell for the HSO BINGO event in their Thursday packets yesterday. Thank you for helping our students raise money for our HSO and fingers

-crossed one of you buys the winning ticket!

I'd like to give a shout out to all our students and staff for all their hard work this past nine-weeks. I've seen many projects and fun learning opportunities in the classrooms and I hope your students are sharing what they are learning in school with you. I try to post pictures online, but sometimes there are just too many activities to get to!

Good Luck to our GPHS Girls' and Boys' Basketball teams at sub-state! Go get em', Owls!

Have a great weekend and enjoy the weather!

Jenny Campbell,
Principal

Middle School Reading to Younger Grades

Owl Families

We discussed upcoming St. Patrick's day and what charity they would donate their pot of gold to if they found one. They played a game as a family called "Would you Rather." This is one of the students' favorite games to play as a family.
