VOLUME 27

Campbell's

Hoot & Holler

I usually put two weeks of upcoming dates over to the left, however, there are so many activities going on, I was only able to type one week of events. Please do not let the end of the school year overwhelm you. The school is in partnership with the families, so if you need any assistance during these next three weeks, do not hesitate to ask.

We have wrapped up state assessments. The students worked very hard during testing. Thank you parents for making sure your child was at school

and showing them the importance of testing. I have faith the students did well and their results will display all they've learned over the course of the year. Results will hopefully be in before the end of the year.

I'm excited about a new event we are doing this year. In the evening, on May 9th, students will be showcasing some culminating projects. They will be set up in the gym, cafeteria, and the library. This evening will allow students to present to a different type of audience, not just their peers. Students from all grades will have some type of project

or activity to demonstrate to all those visiting. We'd love to have as many students as possible here that evening, but we understand if life is just too busy. The students have been working hard and are excited to showcase some of the work they've accomplished. You will see anything from research projects, nursery rhymes, the progression of the new student lounge, a class that did a garden, zoo animals, and so much more! I hope your student and all of you will be able to attend!

Jenny Campbell, Principal

We are looking for new HSO officers. This is a vital organization to our school. Many of the activities and purchases could not happen without it. Please consider being an officer!

One Minute Share

Last Wednesday the students finished up their PRIDE projects. Our students did a GREAT job taking care of the community members, our school, and each other. Ask your child what they did for their Family PRIDE project. I hope the students had fun and learned about School PRIDE.

~Keep collecting Box Tops for your classroom competition. It ends on April 30th!

~What's coming up...Pastries with Parents on May 3rd for K-5 ONLY

~Student Showcase night on May 9th @ 7:00
