

The Carnegie Wildcat Education Endowment Fund is not an organization. ***It is a way to give.*** It is a way to give to our community's children, dedicated teachers and to build a legacy.

The idea of a foundation to benefit Carnegie Public Schools came to fruition on March 21, 2016. The mission and purpose of this organization is to establish and promote the growth of an endowment fund for the benefit of Carnegie Public Schools. The income from the endowment funds will be used for the benefit of the school, students and teachers.

We work with the Communities Foundation of Oklahoma (CFOK.org) to get the most out of the money we raise. They are a great partner with investing expertise for our funds and providing matching funds for the money we invest.

As of May 29, 2019, CWEEF is now its own 501 (c) 3. We will still partner with the Communities Foundation of Oklahoma. This will allow all gifts to be tax-deductible and enable CWEEF to apply for grants/funding more directly. Our great donors have enabled us to provide teacher grants for the last 4 years. Applications for these funds have increased each year as the teachers see what these funds can provide.

The Fund has an elected board of directors and holds annual meetings. Participation and input from interested parties are essential. The 2021 annual meeting will be held during the Alumni Reunion, the last weekend in April, Covid-19 permitting! We have expanded our by-laws to allow more members. If you think you would be interested in serving please contact Lynn Ann Dietrich, President, for more details.

The current board of directors is:
Lynn Ann Dietrich, President;
Micheal Longhat, Vice- President;
Sharon Wilson, Secretary-Treasurer;
Crystal Schneberger, Elected teacher member
Christi Harrison and Derrek Belase, members.
