

CARNEGIE HIGH SCHOOL PARENTS

Due to concerns about the Corona Virus the high school is offering a different avenue for Parent/Teacher conferences this year. I have listed the teachers email addresses and subjects for you to contact if you have any questions about your student's grades/progress. You should email the respective teachers and let them know if you would like a phone call from them to discuss specifics about your student(s) or to let them know that you are fine with their progress and have no questions for the respective teacher. We will be sending home progress reports with the students on Wednesday, November 18 for your inspection and to generate any questions or discussion you might have for that respective teacher. Thank you for your support and patience this year as we try to navigate our way through these complicated times.

Regards,

Douglas D. Davis
