Dear 8th Grade Parent,

The Rains High School College and Career Center will be holding an informational meeting **Tuesday, March 5th, 2019, from 5:30 – 6:30 pm** in the high school cafeteria. This session will provide information regarding the new Foundation High School Graduation Plan and the endorsement programs Rains High School will offer for the Class of 2023. We will touch on credit acquisition, dual-credit opportunities, and finding success in high school. It is beneficial that you attend this session to gain a better understanding of the transition information House Bill 5 requires for your student. Students are welcome to attend this session, but it is not required. If you are busy during this date please feel free to contact me for any information.

Your student will receive instructions for online choice sheets in Skyward and four year plan information during our student meeting on Friday, March 1st. I hope they will discuss these materials with you so you may bring questions to the parent meeting.

Please bring your questions to the informational meeting on March 5th. I look forward to meeting you then.

Thank you,
J.C. Vance
Dean of Students
Rains High School
