Here comes the Sun!

Our sun can do a lot of cool things like keep us warm and make flowers and plants grow, but we need to be smart about the sun and its potential dangers.

- * Always make sure to take frequent breaks from the sun by going inside or in the shade.
- * Put on sunscreen and reapply often. Be sure to put sunscreen all over your body. This includes some places you might not think of, like the tops of your ears or the back of your neck.
