Dear Parents,

Let me begin by saying thank you for your support of our teachers and Tecumseh Public Schools. During the last two weeks, our teachers have given their voice to a cause for which they are passionate, your children and public education. Thank you for sharing their passion.

It is time for us to return to school and complete the remaining days of the school year. In order to make up the days that were missed beyond the days allowed for bad weather, we will need to adjust the daily starting time for each of our sites for the remainder of the school year. Beginning on Monday, April 16th, all school sites will begin their day at 8:00 a.m. Each site will complete their day at their regular time. The addition of these minutes each remaining day, allows us to meet state requirements without interfering with family plans that may have previously been scheduled at the end of the current school year.

Again we thank you for your continued support for our students, teachers and school.

Sincerely,

Tom Wilsie
Superintendent
