

Eufaula Elementary

April Newsletter

From the Principals

As of today, the Eufaula School plan is to go to the Capitol on Monday, and resume classes on Tuesday. We will send advocacy teams up each day to continue the campaign for adequate school funding. We appreciate everyone's support concerning the education crisis in our state. Parents, please keep an eye out for the OK state testing manual that is being sent home with third, fourth, and fifth grade students. It would be great if you and your child would look over this manual carefully, go over the practice questions at the back of this manual, and encourage your child to eat breakfast each testing day. Breakfast at the elementary is open from 7:45- 8:10 am and please make sure your child has plenty of rest.

We hope all of our students have a happy and safe three day weekend!
