

Eufaula Elementary January Newsletter

Welcome Back!

We hope you had a good winter break! The first semester has flown by and we are excited to begin the second semester. We would like to take this opportunity to remind everyone it is extremely important for your child to have good attendance to ensure academic success. **Our attendance policy allows for a total of 7 absences a semester - that includes excused and unexcused absences.** We encourage parents/guardians to please review our attendance policy and consequences regarding excessive absences in our elementary handbook. Not only does good attendance affect your child's success - it also is reflected on our schools' state report card. All grades should have at least a 94% attendance rate and currently our pre k, kindergarten and first grades are below that level. Please contact the principals or counselor if you have further questions regarding this matter.

In the event of school closing due to inclement weather there will be an ENote text sent out as well as call from automated system. Please make sure the front office has current phone number. Also, we would like you to join our Facebook page: Eufaula Elementary Ironheads to stay up to date on events.

Counselor's Corner:

Welcome Back! Let's start off by introducing our **EES December Students of the Month:**
