Central Elementary Vision Statement

The vision for Central Elementary faculty and staff is that all students will be provided with a safe, supportive, and challenging learning environment. All students will have multiple opportunities to develop academic strengths, individual interests, and talents. ALL students will be prepared for success in college, career, and life.

Central Elementary Mission Statement

The mission of Central Elementary School is to prepare our students in a safe nurturing environment. Our students will be prepared to: read, write, speak, and cite evidence in response to complex text, and problem-solve logically. Technological resources will be used in accordance with research based practices to enhance higher order thinking skills as we prepare students for success in college, career, and life.
