

# THE BLIMEY NOTES for FEBRUARY

We're full steam ahead into February! We hope that you will take a moment to read

through February's newsletter and refer back to it as needed throughout the month!

## A NOTE FROM THE PRINCIPAL.....

Not only are we dealing with sickness because of the flu, but other viruses like COVID 19 are keeping our students out of school. Please make sure your child is fever free (48 hours) and/or has not vomited within 48 hours before sending him/her back to school. If your child is able to be at school, but they have appointments during the school day, please make sure they attend school for as much of the day as possible. As we get closer and closer to Aspire testing in April and May, it is extremely important that you have your child here at school. When a Dr. appointment cannot be scheduled outside of class time, please try to make it as early in the day or as late in the day so that they are at school for as much of the day as possible. Also, please remember to get a Dr.'s note.
