

THE   
BLIMEY  
NOTES for  
MARCH...

We hope that you will take a moment to read through March's newsletter and refer back to it as needed throughout the month!

**NOTES FROM THE PRINCIPAL.....**

Parents, please remind your child that when they are not feeling well, they need to first see the school nurse so that she can assess them before you check them out through the MS office. Texting and personal cell phone use is not allowed during class time unless given specific permission by a teacher or staff member. Thank you for your cooperation.

As we get closer and closer to the **ACT ASPIRE** test dates at the end of April beginning of May, it is extremely important that you have your child here at school. When a Dr. appointment cannot be scheduled outside of class time, please make sure your child is at school for as much of the day as possible.
