Valentine's Day February 14, 2019

Even though Valentine's Day is on a Thursday this year, we strongly encourage parents who have anything ordered from outside sources, please have it sent to your home.

If you do choose to have something delivered on Thursday, please be sure that everything is **securely attached and labeled**. Because of safety concerns, if your child rides the school bus in the afternoon, please make sure that the gift you send to school does **NOT** have any balloons attached to it. If a bus rider receives a gift with a balloon attached to it, that gift will remain at school until a parent picks it up. **All items must be delivered to the school by lunch time to allow the office time to deliver it.**

There are several fundraising options being offered by CMS Student Council (4th to the 13th) or the CES PTA that are available.

We're full steam ahead into February! We hope that you will take a moment to read through February's newsletter and refer back to it as needed throughout the month!

A NOTE FROM THE PRINCIPAL.....

Flu season is upon us. Not only are we dealing with sickness because of the flu, but other viruses are keeping our students out of school. Please make sure your child is fever free and/or has not vomited within 24 hours before sending him/her back to school. If your child is able to be at school, but they have appointments during the school day, please make sure they attend school for as much of the day as possible.

As we get closer and closer to Aspire testing in April and May, it is extremely important that you have your child here at school. When a Dr. appointment cannot be scheduled outside of class time, please try to make it as early in the day or as late in the day as possible so that they are at
