Things you need to know about camp:

1. Dress cool but keep in mind that the school dress code is in force. T-shirts are safe.
2. **Tennis shoes are mandatory for every student.** Please-for your own safety absolutely no sandals or bare feet in marching rehearsals.
3. There will be sufficient breaks given. There will be ice water at each outdoor rehearsal. You are encouraged to bring your own drinks too. Get outside as much as possible the week before camp so you can get used to the temperature. Students who have the most problems are the ones who do not get outside much in the summer.
