

Do You want to support the Pride of Durant but are tired of buying \$15 tins of candy?! Don't want to buy another meat stick?! Hate spending money on useless items?!

Welcome to:

**\$20/20**

**What is it?** A Different kind of Fundraising Initiative

**Description & Goal-**To solicit 2000, Individual donations @ \$20/month (perpetual) by 2020.

**Can I give more than \$20 per month?**-*OF COURSE!* I used \$20 because it went so well with \$20 by 20

**Why Donate?** This is an effort to raise funds with out over fundraising our community. The businesses and individuals of Durant are constantly bombarded with fundraisers from not only Durant students but also county school students.

**Donating verses Buying Fundraisers-**100% of monies donated will be given and used for Durant Band on every grade level (Intermediate, Middle, and High School Bands) instead of 50-60% being paid to a fundraising company and 40-50% being raised for band.

**How will my donation be spent?**

- 🎵 Instruments for underprivileged beginner students
- 🎵 New equipment (not funded by the school)
- 🎵 Up keep and painting for Band truck and trailers
- 🎵 Ability to start private lesson program, professional clinicians, part time help with marching band
- 🎵 Family out of pocket expense for accessories such as reeds, oils, stands, folders, sticks/mallets (that are not funded by school),
- 🎵 Transportation costs not funded by school for band out of state and/or intermediate/middle school band end of the year performances (ie-Six Flags, Frontier City, Sandy Lake, etc...)
- 🎵 Trip costs for out of state invitational contests/performances offered to the HS Band such as 2019 National Memorial Day Parade in Washington DC, Gold Star Family Parade at Pearl Harbor (Hawaii), Carnegie Hall in New York City, Sugar Bowl in New Orleans, Ireland (invitations extended to us for consideration in the Fall of 2018)
- 🎵 Marching Band Costs (that are not funded by school)
- 🎵 Dance Team equipment and costuming (not funded by school)
- 🎵 Student meals for road trips on all grade levels

Would you please consider helping to fund one of the largest and most successful students groups in Bryan County? Please follow directions below.

Thank you for your consideration,  
Durant Band and Durant Band Boosters
