General Notes:

1. **Students: Don't forget to do Flip Grid Grades. If you do not do these it could result in a failing grade. I know there are a lot of changes this year but we all need to stay on top of this.**
2. **Parents: Virtual Grades, called Flip Grids, assignments are a huge part of each student's grades this year. Please help your child stay on top of these. They are dated and have a time stamp. If you need further information please let me know.**

New Safety Guidelines

Note: These guidelines are based on the DISD P.L.A.N. (check out on the school website). The Band Staff will meet weekly and make safety modifications as we feel necessary. Any changes will be announced through the Pride of Durant Website and through Band Booster Email.

1. **Temperature Checks** (Band Policy not School) will start at 7:10 am. We will have multiple, no-contact thermometers so this should move quickly. Any student who has a temperature of 100 degrees or above will be sent home.
2. **Masks**-(Now a School policy) Students will be expected to wear masks during all inside rehearsals. Wind players may pull down while playing their instrument. We have practice bell covers for brass.
3. **Hydration**-Students will need to bring their own, clearly marked, water or other drinks this year. We **will not have water jugs** and cups like usual. We will have some sealed bottles of water, but only for emergencies.
4. **Don't Share**-Drinks, food, masks, sunscreen, space, etc...
5. **Hand Sanitizer**-There will be hand sanitizer at each main entrance but students are encouraged to bring their own.
6. **Wind Players**-Encouraged to clean mouthpieces and wipe down instruments with alcohol every evening. Please do not do this until you receive more explanation and demonstration by directors during camp.
7. **Percussionist & Sparklers**-Encouraged to wipe down poles, sticks, mallets, handles, etc... with alcohol after each rehearsal
8. **Social Distancing**-Expected by all students. The only time the full group will be together will be in the auditorium (plenty of room to social distance).
9. **Breakfast**-EAT SOMETHING BEFORE YOU COME TO REHEARSAL EACH DAY. The students who have the most problems with heat are the ones who do not hydrate properly and who normally do not eat breakfast.
10. **Dress cool** but keep in mind that the school dress code is in force. T-shirts are safe.
11. **Tennis shoes are mandatory for every student for marching band.** Please-for your own safety absolutely no sandals or bare feet in marching rehearsals. The concrete practice pad is brutal on toenails.
