

A stylized map of the United States with the state of California highlighted in a light blue color. Overlaid on the map is the text 'REGION 6' in a large, bold, blue, sans-serif font with a white outline and a blue shadow effect. The word 'REGION' is in all caps, and the number '6' is also in all caps and slightly larger than the other letters.

Seattle, Washington

San Diego Section Update Fall 2009

The San Diego Section is doing well in 2009!

- UCSD Student Branch Won the Area Website Contest!
- Growing Executive Committee and volunteers
- Reviving 4 inactive chapters and starting 2 new
- Successful booths at the 2-day Del Mar Electronics Show promoting IEEE and Consultants Network
- UCSD SB Hosted the excellent Spring SW Area Meeting
- Many high quality meetings & technical programs
- Growing Consultants Network & PACE engagement
- Participated in Area and Region Awards Program
- Social (Luau Evening) & Electronics Recycling Events

San Diego Section Statistics

San Diego Section looks like this in Fall 2009:

- Approximately 3400 members in San Diego
- reflects a membership drop from 2008
- 25 Society Chapters
- 2 Affinity Groups (Consulting & GOLD)
- 3 Student Branches - UCSD, SDSU, and USD
- 45 individuals associated with SD ExCom
- 15 active committees
- Operating within a reduced 2009 Budget

High Quality Meetings & Technical Programs -
Section Meetings are drawing 60 to 150 people!
Meetings provide networking and job search chances.

- Future of Wireless Communications
- SmartGrid Series of Presentations on Power Efficiency
- Phase-Locked Loop Workshop
- Safety: Human Error in Accidents
- EMI Troubleshooting Methods and Tools
- Kalman Filters
- Spatially Ad-Hoc Networks
- Broadband Access Communications

Recognition Meeting & Luau Evening

Recognition Meeting - certificates for leaders followed by Luau Evening of fun !!!

Electronics Recycling Event

San Diego IEEE members participated in (and contributed to) a successful large-scale electronics recycling event pulling-in almost 100 tons of e-waste!
