

2012 | IEEE Power & Energy Society General Meeting

JULY 22-26, 2012
SAN DIEGO, CALIFORNIA, USA

The Manchester Grand Hyatt, San Diego, CA, USA

New Energy Horizons – Opportunities and Challenges

The host utility is San Diego Gas & Electric. This year's conference technical theme is, *New Energy Horizons – Opportunities and Challenges*. Highlighting the meeting program are these topics organized into a number of Super Sessions including:

- Opportunities and Challenges of Integrating Wind, Solar and Other Distributed Generation and Energy Storage
- Smart Grids and Electric Vehicles
- Innovations in Communications for Power Systems
- Nuclear Power
- Managing Power Systems Under Changing Conditions

The meeting will attract upwards of 2,500 professionals from every segment of the electric energy industry. The meeting will feature a comprehensive technical program with paper presentations, poster and panel sessions, a number of technical tours, a student program and companion activities. Watch for conference updates at: www.ieee-pes.org

Planning Your Visit

San Diego is California's second largest city and the United States' eighth largest. Within its borders of 4,200 sq. miles, San Diego County encompasses 18 incorporated cities and numerous other charming neighborhoods and communities, including downtown's historic Gaslamp Quarter, Little Italy, Coronado, La Jolla, Del Mar, Carlsbad, Escondido, La Mesa, and Chula Vista.

The city is renowned for its idyllic climate, 70 miles of pristine beaches and a dazzling array of world-class family attractions. Popular attractions include the world-famous San Diego Zoo, and San Diego Zoo Safari Park, Sea World San Diego and LEGOLAND California. San Diego offers an expansive variety of things to see and do, appealing to guests of all ages from around the world. Visit: www.sandiego.org
