IEEE San Diego Section Life Member Tour/Luncheon

‘Protec-Arisawa, FRP Pressure Vessel Membrane Filtration Systems’

Keynote Speaker & Tour Guide: ***Richard Chmielewski, Sales Manager***

Presentation & Tour:

This month, we will be taking a departure from our normal monthly Meeting/Luncheon to visit Protec-Arisawa, the Manufacturer of the Fiber Reinforced Plastic Vessel Membrane Filtration Systems used in the Reverse Osmosis Process in the Carlsbad Desalination Facility and in many water treatment markets. After lunch and a short presentation, we will take a tour of Protec’s manufacturing facility.

Protec-Arisawa:

Protec-Arisawa is the global leader for the design and manufacturing of the Fiber Reinforced Plastic Vessels for membrane filtration systems. With 3 production sites located on three different continents and over 40 years of experience in filament winding, Protec-Arisawa is the supplier of choice when it comes to selecting high-quality pressure vessels with leading technology. One of their regional fabrication facilities is located in Vista, of which we will visit.

Directions:

This Life Member Tour/Luncheon is scheduled for Monday, June 22, 2015 at 11:30AM at Protec-Arisawa facility, located at 2455 Ash Street in Vista off of Route 78. Take the Rancho Santa Fe Road exit and turn South onto Rancho Santa Fe Road, turn right onto Descanso Ave (first right from Route 78), Descanso will turn slightly right and will become Alamitos Way, 0.1 miles later turn left onto Oleander Ave, 0.3 miles later turn left onto Poinsettia Ave, 0.5 miles later turn right onto La Mirada Drive, 0.3 miles later turn right onto Ash Street, the destination is on the left in 0.2 miles. I would highly recommend using a GPS or Goggle and give yourself ample time.

We have set up a special menu of sandwiches at 11:30AM. To help defray the cost of this Luncheon, we have set the cost to attend at \$5 per person at the door. Since our attendance is limited, **you Must RVSP by email to Bill Denke at wdenke1@san.rr.com by Friday, June 19th** so that we can make sure we have room for all attendees. It is very important to retract your RSVP if you find out that you cannot honor your RSVP, ASAP, so that we can honor our waiting list.
