## FIRST ROBOTICS COMPETITION – SAN DIEGO

March 3-5, 2016 (with field set-up on Wednesday, March 2)

Del Mar Fairgrounds Arena Complex, Del Mar, CA

### Technical or Non-Technical – WE NEED YOU!

#### WHAT IS FIRST?

FIRST is a world-class celebration of teams of high school students. The goal of *FIRST* is to inspire students to be our next generation of innovators, scientists and technicians by enabling them to experience the excitement of math, science, and engineering through an intense robotics competition.

The 2016 San Diego Regional Competition will include over 50 teams of students and mentors from across California and the US. We need over 80 volunteers each day.
