

# IEEE PRODUCT SAFETY ENGINEERING SOCIETY SAN DIEGO CHAPTER INVITES YOU TO

**October 8, 2019**

**Carlsbad, California, USA @ Holiday Inn Carlsbad**

<https://www.safetysummitsandiego.org/>

The IEEE Product Safety Engineering Society San Diego Chapter hosts SSSD (Safety Summit San Diego), on all relevant topics for So-Cal professionals in area of product safety.

Join us in San Diego, Carlsbad for 1 day of technical sessions and exhibits.

## TOPIC AREAS

The SSSD program comprise three parallel tracks with tutorials on all aspects of product safety including, but not limited to: Medical Devices, Safety of ITE / A/V&ICT Equipment, New Standards and Hazard Based Safety Engineering, Functional Safety, Batteries and Battery Systems.

## EXHIBITION

You will find a good number of partner's booths and dedicated space for networking.

## BUSINESS BREAKS, LUNCH & RECEPTION

During SSSD you will have coffee breaks, lunch and special reception to make memories more than just and usual workshop, it is a celebration for your community so don't hesitate and register now!
