PC, Mac and Linux Desktop Client	<input checked="" type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input checked="" type="radio"/>	<input checked="" type="radio"/>
iPhone / iPod Native Client	<input checked="" type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
iPad Native Client	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Android Native Client	<input checked="" type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
BlackBerry Native Client	<input checked="" type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
OpenAPI Extensibility					
Author complete clients leveraging existing internal processes	<input checked="" type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/> ** Full Client Authoring?	<input type="radio"/>	<input type="radio"/>
Deployment Options					
Shared Hosted	<input checked="" type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input checked="" type="radio"/>	<input checked="" type="radio"/>
Dedicated Hosted	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
On-Premise & Source Code Licensing	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Table 2: MangoApps Exclusive Features

Compared Features	MangoApps	SharePoint	Chatter	Yammer	SocialText
Projects					
Manage Public Internal, Private Internal and collaborative partner projects.	●	○	○	○	○
Project Templates					
Define and reuse project templates for speedy creation.	●	○	○	○	○
Completed Project Archival					
Mark projects completed and archive them.	●	○	○	○	○
Project Start and End Dates					
Schedule Projects with Start and End Dates	●	○	○	○	○
Public Project Teams					
Any network member can join a project without an explicit invitation.	●	○	○	○	○
Private Project Teams					
Members of the project team must be invited by the project creator or administrator.	●	○	○	○	○
Project Chat					
Immediately communicate with team members via Group Instant Messaging session.	●	○	○	○	○
Project Tasks					
Assign tasks to the Project Task Pool for any member to accept as their own.	●	○	○	○	○
Project Documents					
Attach document to project communications to enforce the projects' privacy to the document.	●	○	○	○	○
Document Tasks					
Keep workflow organized by managing tasks per document.	●	○	○	○	○
Create a document task					
Keep workflow organized by assigning tasks to approve, review or update documents.	●	○	○	○	○
View document tasks					
View a list of all tasks that are assigned to a document including who is responsible for it and when the task is due.	●	○	○	○	○
Document Search					
All documents are searchable based on the privacy associated with them.	●	○	○	○	○
Find my document					
Built-in search engine to quickly and easily find documents.	●	○	○	○	○
Search filters					
Specify key words consisting of file name, user assigned tags, or person who uploaded it or jump to a document beginning with a specific letter.	●	○	○	○	○
Event Management					
Schedule and Manage Events for Internal or External Attendees.	●	○	○	○	○
Event Calendar					
View upcoming and past events on the Event Calendar.	●	○	○	○	○
Copy Event					
Copy an event as a template and Create a new Event	●	○	○	○	○
Multiple Event Admins					
View upcoming and past events on the Event Calendar.	●	○	○	○	○
Event Guest List Management					
View, Edit, and Print the Event Guest List.	●	○	○	○	○

Event Walls					
Attendees can comment, post links and pictures, and add attachments.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Idea Store					
Innovation management including an idea authoring tool, idea socialization, an idea committee, and idea resolution life cycle.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
View Ideas					
View all ideas that have been submitted in your company along with their current status.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Post an Idea					
Share your ideas within your organization so that colleagues can view it, comment on it, like it, and watch it.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Ideas in Action					
Here you can see the ideas that have been implemented, the ideas that are under consideration with their current status.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Idea Life Cycle					
A defined, repeatable process through which ideas are conceived, socialized, refined, acted on, and implemented.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Tasks & Milestones					
Create tasks and subtasks and apply them to specific milestones you define.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Milestones					
Milestones help create task hierarchies moving so that large tasks can be broken into manageable subtasks that different people work on.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Milestone Calendar					
Easily view your Milestones on a calendar.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Milestone Health					
Configure risk factors and health consideration metrics.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Quick Task & Milestone Creation					
Create tasks & milestones from the dashboard in seconds for yourself, a colleague, a project, or document.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Easy Task Bins					
Each task is either being worked now, worked next, or worked soon. Bins define "Working", "Pending" and "Queued"	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Task Life Cycle					
Formal task management lifecycle .	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Project Task Pool					
Queue of tasks to be accepted and ultimately assigned to a team member.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Creating a Task from a Feed					
Microblog feeds are easily promoted into tasks that can be assigned to you, a colleague or a project.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Tasks Main Page					
Really manage and prioritize your tasks in a centralized location.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Task Management					
Tasks follow a formal lifecycle to keep the team or organization alerted of their progress, status, and priority.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Delete a Task					
Owners and assigners of tasks can delete irrelevant or previously completed duplicate tasks.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Task Notification Settings					
Task notification settings through email can be set.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
IM and Direct Messaging					
Secure instant messaging and real time presence provides enterprise a mode of communication that brings agility to daily work, results in faster turn-around, quick visibility and instant results.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Direct Messages (Private)					
Whether a colleague is offline or online, send them a private	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

message.					
1-On-1 instant messaging	●	○	○	○	○
Start an IM with a coworker from the web, on the desktop, or from your mobile device.					
Real time presence	●	○	○	○	○
Set your online presence and view others' presence in real time.					
Social IM bar	●	○	○	○	○
Social/IM bar is a Facebook-like chat bar that is available to your co-workers for IM on the web.					
Voice Collaboration	●	○	○	○	○
Click a colleague to call them allowing the application to dial their phone after first dialing your phone.					
Click to call & Conference calling	●	○	○	○	○
Immediately begin a voice call from your phone to your colleagues' phones using VoIP.					
Conference status	●	○	○	○	○
Show the colleagues that are connected and who has dropped the conference.					
Conference chat	●	○	○	○	○
Start an IM session with the attendees of the conference call.					
Social Applications	●	○	○	○	○
Social applications are a set of apps which when used effectively can increase employee morale, sense of "team" and make the company a fun place to work.					
Employee Recognition	●	○	○	○	○
Extend a public recognition of good work to peers, supervisors and direct reports.					
Birthday Gifts	●	○	○	○	○
Openly recognize a colleague's upcoming birthdays with an appropriate "gift" graphic and personal message.					
Office Poke	●	○	○	○	○
Poke some fun at people's unique personality and bring some levity to your workplace.
