Westside Action Summit, 'Public Portion'

DATE & TIME

01/21/2012 from 2:00pm to 4:00pm

OVERVIEW

Join residents of Santa Barbara's Westside for a public portion of the Westside Action Summit.

Join residents of Santa Barbara's Westside for a public portion of the Westside Neighborhood Action Summit to identify ways to improve the community and offer input. For several months, community members from across Santa Barbara's Westside, including students, parents, neighbors and service providers, have come together to talk about the challenges they face, the assets they have and the future they wish to create for themselves. These groups will gather at the summit to share their ideas, choose the strategies they want to implement and create action plans to turn their ideas into reality. Topics include: improving police-community relations, creating a town center, creating a women's resource center, improving Bohnett Park, building a community swimming pool, and much more. Information will be provided in English and Spanish, and childcare is provided.
