Erice, 11th April 2013

Dear Dr. Everett,

The 46th Session of the International Seminars on Planetary Emergencies and associated events will be held at the Ettore Majorana International Foundation and Centre for Scientific Culture, in Erice, from 19th to 25th August 2013, in collaboration with the World Federation of Scientists and the ICSC – World Laboratory. I have great pleasure in inviting you to participate in our Seminar. The Seminar will be on "The Role of Science in the Third Millennium". This year, the main topics being covered in the Seminar will be:

- **Energy** *Nuclear Energy Issues*
- **Energy & Sustainability** *Key to the Evolution of Cities*
- **Climate** *Climate and the Limits of Geoengineering*
- **Pollution** *Pollution and Terrorism*
Innovative Cleanup Technologies
- **Mitigation of Terrorist Acts** *Megaterrorism and Hybrid Threats*
- **The Problem of the Global Defence System MUOS**
- **Defence against Cosmic Objects** *Planetary Defence against Cosmic Objects*
- **AIDS & Infectious Diseases** *AIDS Status*

You would, of course, be our guest and the invitation includes your transfers from Palermo airport as well as your full board and lodging in Erice, throughout the period. Support for your international travel fare is also available upon request. Please make your travel arrangement in accordance with the Overall Programme of Events annexed hereafter. I would appreciate receiving your early confirmation of participation, by return fax to +41 227679965 or by e-mail, to info@worldlab.ch.

Looking forward to seeing you in Erice.

Yours sincerely,

Professor Dr. Antonino Zichichi
President
