Testimonials

"I am grateful for "Power Hour" the students do homework or read. My Gracie's homework is always completed and 99% of the time completely correct. "

"Grace has made some great friends and before she was usually a target for being picked on or bullied. Now when I pick her up she says "MOM you're early I was going to do an activity". I LOVE it. I'm so relieved she is happy. This is a great program; you do great things... Keep it up."

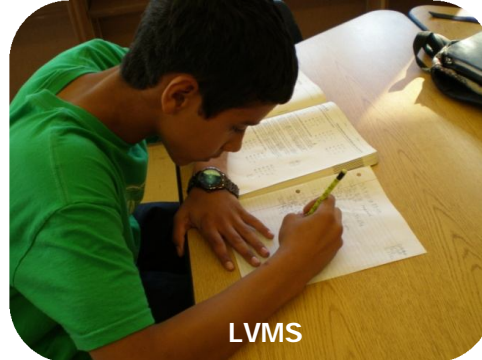

-Rhonda St. Romain - Hapgood parent

"This program has helped with my homework & with my math. I have raised my grade & learned more manners, I even listen better. I use to hate school & homework, now I like it. This program is Awesome."

-Claudia Rodriquez - LVMS Student

"ASES Program at LVMS has been very effective. The staff is enthusiastic and very highly qualified. Students are actively involved in academics as well as enrichment programs not provided during the school day."

-Glenda Grover - LVMS Teacher Liaison

ASES Mission Statement

To use afterschool programs as a means to close the achievement gap by providing children with opportunities to develop skills, competency, and efficacy in an environment that values children, the love of learning, and achievement.

ASES PROGRAM

GREAT FUTURES START HERE.

**BOYS & GIRLS CLUB
OF LOMPOC**

Our Philosophy

The Program understands that every child has their own unique experiences, interests and learning styles. The goal is to truly know every child well and use this knowledge to guide, support and motivate him or her. Good teaching requires continual professional development, personal reflection, and collaboration that include parent involvement. This program's main focus is to give your child the most powerful and joyous learning experience possible.

UBGC Mission Statement

To inspire and enable all young people, especially those who need us the most, to realize their full potential as productive, responsible, and caring citizens.

UBGC Vision

Our goal is to insure every student member achieves higher academic excellence from grades K-12 after having participated in our after school programs.
