Mentors Needed

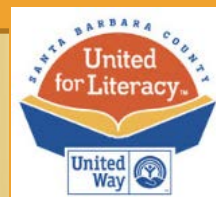

Mentors are the number one parent request. A good mentor-mentee relationship can last a lifetime. Children and youth are in need of positive role models. Having a consistent relationship with an adult allows them to practice positive social skills, and build trusting, healthy relationships outside their family and peer group. It's also more likely for youth with guidance to make better choices when confronted with the dangers of smoking, gang involvement and teen pregnancy. The usual commitment for a mentor is 1-2 hours per visit, once a week.

Congratulations to our Power Reading students who have gained two or more grade levels in reading skills since starting the Summer Program at Boys and Girls Club of Lompoc. The Power Reading® program, provided by the United Way, has been a powerful intervention tool for struggling readers and advanced readers alike.

Fall session begins in September and volunteers are needed to support this worthy program. The excitement the students feel toward the Power Reading program is contagious! If you would like to volunteer to support literacy at Boys and Girls Club of Lompoc, please sign up today at: Volunteerlomdoc.org

You can learn more about United Ways "United for Literacy" campaign and the Power Reading program at: <http://uwcentralcoast.org/readingplus-ULA.html>

Guest Speakers Welcome!

Do you have an interesting hobby or pastime you would like to share? Bring your collection and share your experience with the youth of Lompoc! You don't have to be an expert in a field to share that passion. Pack up your fossil collection, chess board, ballet slippers or cookbooks and come give a talk – or better yet a demonstration. The usual commitment is 1 hour per visit.

If you would like to participate, apply today at volunteerlomdoc.org
Existing volunteers should contact Rachel Wolpo at lomdocvolunteer@sbceo.org for scheduling.

A.S.E.S.

Come and see the faces of A.S.E.S.!

The A.S.E.S. (After School Education & Safety) program is now recruiting volunteers to support the afterschool homework help and reading programs on a daily basis. The average commitment for this opportunity is 2 hours a day.

A.S.E.S. also has an ongoing need for guest speakers and mentors at all of their school sites. There is also a great need for S.T.E.M. (Science, Technology, Engineering & Mathematics) presenters within the A.S.E.S. program. If you would like more information on this program, please email Rachel Wolpo, Volunteer Recruiter at lomdocvolunteer@sbceo.org

THE CLUB

OVERNIGHT!

Teen Summer Retreat at Camp Whittier

Event Date: Friday, August 19th through Sunday August, 21st 2011

Responsibilities: Two volunteers needed to help supervise and interact with teens. This would include workshops, obstacle course, hiking, ice-breakers, camp-fire, free time. etc.

Location: Camp Whittier, Santa Barbara County

Bring: Camping gear including sleeping bag, pillows flashlight, bug spray, sunblock, clothing & personal items for 2 night stay. Lodge-style accommodations provided.

Event Schedule: Friday activities start 5pm - 1am, Saturday activities 7am - 1am, Sunday activities start 7am - 1 pm return time.

Annual End of Summer Cleanup

Responsibilities: Assist staff with deep cleaning the Clubhouse, gym and grounds. This will include heavy duty cleaning and maintenance which can only take place during club closure. Staff will also need help taking down old decorations and making new event boards, so creative types are most welcome to help out too!

Event Date: The week of August 8th - 12th, Monday through Friday. Event Time: 9:00 AM - 12:00 PM each day.

If you would like to participate, apply today at volunteerlompoc.org.
