

# WRITE A FANTASY ADVENTURE

# YOUR PROJECT

---

## OVERVIEW

In this project, you'll be combining hieroglyphics & mythology, and personalizing them in an original way:

- 1** Spell your name with hieroglyphics, then look up & discover each "letter"s mythological representation.
- 2** Keep your imagination running wild & plan out your story in your Story Map.
- 3** Start writing the first 10 pages of your epic fantasy adventure! *(If it helps: think of your first 10 pages as your 1st chapter.)*
