

Crown Point Community Foundation

You can trust the Crown Point Community Foundation to do good....forever!

The Crown Point Community Foundation has awarded its third, \$1,000 20th anniversary grant to the Power Paws for Kids, Inc. after a recent ballot drawing. The Foundation was selling \$20 ballots during 2010 to celebrate its 20th Anniversary. Mary Ann Battistini (kneeling front) purchased the ballot for Power Paws for Kids. Power Paws' volunteers bring their dogs to local schools and libraries where children gather to read to the dogs.
