WHAT IS Festiv'ALL?

2011 continues the tradition of one of Silicon Valley's most celebrated diverse small business events, Festiv'ALL, to be held on Wednesday October 12, 2011, from 6:00 PM to 8:00 PM, at the San Jose Convention Center.

This multi-cultural networking event is a collaboration of the region's leading diverse business and professional organizations. While each association offers unique benefits specific to the constituency they serve, they also share the common goal of continued prosperity, education, advocacy for their members and the communities they serve.

Festiv'ALL is an excellent opportunity for members and leaders of participating organizations to meet, greet, and network. The event will have numerous representations from local business-serving

agencies and associations, free food samples from various multicultural restaurants, as well as ongoing entertainment.

In last year's Festiv'ALL, there were over 2,400 attendees, over 30 restaurants sharing their food samples, over 40 table top displays of community-serving business organizations joined together to make it happen.

Festiv'ALL is a celebration of the region's diversity and connectedness. Attendance at this event is by invitation only via participating organizations. Here is a partial list of some of the associations that participated in last year's Festiv'ALL. They are expected once again to make this Silicon Valley's premier diversified networking opportunity:

WHAT PEOPLE SAY ABOUT Festiv'ALL...

"All of my colleagues were very impressed with not only the turn out but the tremendous diversity of the audience and not just from an ethnic perspective but from an entertainment, food and business perspective!

As someone that attends many of these type of events here and throughout the state and country, I can truly and without reservation attest that this is the only event of its kind."

Alex C. Torres
Vice President
WELLS FARGO BANK

"I just wanted you to know that Festiv'ALL was THE BEST NETWORKING EVENT I HAVE EVER ATTENDED. And I must have attended 300 events in the Bay Area since I started my business. It had a lot of variety — in associations & chambers, food and attendees. It was well executed and flow of the room made it so it was never congested.

Edwina DiSilvestre
EVERGREEN BUSINESS & PROFESSIONAL ASSOCIATION

Please allow me to thank you for hosting this event. It was over the top with the quality of the vendors and those who were attracted to the event itself. I have made many connections and look forward on developing those connections down the road.

Carlos Rafael Cruz
REALTOR

The Festiv'ALL was so festive yesterday. We had our... information booth visited by so many small companies interested in what we do. It was an overall great experience.
