

WELCOME!

THANK YOU FOR PARTICIPATING IN FESTIV'ALL 2011.

Thanks to you, our sponsors, partners and volunteers, and especially to Team San Jose and the City of San Jose, Festiv'ALL has returned once again.

Festiv'ALL is here to present you with an extraordinary opportunity to expand your network, to introduce you to other community leaders and local economic drivers. Most of all, Festiv'ALL is here to provide you access to each other and to the information and resources that can help you succeed.

Festiv'ALL is a multi-cultural networking expo of Silicon Valley's leading business and economic development organizations. Festiv'ALL is a celebration of our area's diversity and connectedness.

Since you are here, please don't do the same old, same old. Do something different. Stretch your comfort zone. It's okay. You are among friends. Please use this opportunity to meet people with whom you have yet to meet, to try foods and listen to music that you have yet to experience, to learn about advocacy organizations of which you may not be familiar.

To reach out in friendship open to new experiences is to embrace diversity.

Tonight, the City of San Jose is launching its "Shop San Jose" campaign here among us. It seeks to encourage its people to keep their money here. Spending locally for what you want and need circulates and re-circulates resources here, multiplying their impact that creates and keeps local jobs in the process.

In a way, San Jose is also encouraging its neighboring communities to do likewise. Buy local. You can start by supporting the local restaurants and caterers here that are offering you their culinary samples that help make this evening special.

Perhaps the only way to turn around this lingering sluggish economy is to realize that we must work together. Now, more than ever, we in this community, in this country need to know that our lives and our livelihoods are connected to each other. It's in that spirit that we present for your networking pleasure: Festiv'ALL 2011.

Best Regards,
Dennis King, Chair
Festiv'ALL Committee
