Dear St. Raphael School Families,

We have several families who choose to educate their children at St. Raphael Catholic School and attend Mass at parishes other than St. Raphael Catholic Church. We are grateful that these families choose St. Raphael Catholic School. As non-parish-member families, their children are subject to St. Raphael Catholic School's Standard Tuition Rates and are not eligible for the Active Parishioner Tuition Rate. It is our intention to inform our non-parish-families who attend Mass at other parishes that some area parishes provide Catholic education financial support by subsidizing the difference between the Active Parishioner Rate and the Standard Tuition Rate. Currently, Saint Mary of the Lake in Plymouth and Saint Margaret Mary in Golden Valley provide Catholic education financial support in this way. If this is of interest, please check with your parish to determine whether you are eligible for financial assistance. Please note: all subsidy agreements through other parishes are agreements between your family and your parish. You are responsible for any required application and related compliance issues.

Peace in Christ,

Fr. Michael Rudolph, Pastor
