Dear Parents/Guardians:

Thank you

- Thank you from a grateful heart for my Christmas gifts.
- Continuing to teach and model altruism --- Our children gave \$291 to the Propagation of the Faith and \$238 to UNICEF.
- Our Gr.8 Dance Competition Team achieved the Silver Award this month. They are such wonderful and enthusiastic dancers – Briana, Christopher, Samantha, Rocco, Regine, Rachelle, Lance, William, Monique, Francis, Jada, Austin.
- Three new Clubs are starting up, (for specific grades) ---a Computer Games Club, and a Dance Club, and a Knights of Columbus sponsored Cooking Club.
- Very very current – the Aquinas Club is starting up an ORGANIC GARDEN!
- Mother Teresa Altruistic Society will be especially remembering our Veterans for Valentine's Day.
- Does it not seem that Technology gets updated more and more frequently? A product no sooner comes out on the market and the next ad seems to be the updated version. We are part of that, too. Our Computer Lab needs updating. I have been doing much research into this venture. Our dedicated Parent Cmte. will be working with me on an event to garner funds strictly to be used for the goal of updating. Stay tuned...

The Faculty, Staff, and I are looking forward to our Catholic Schools Week!

Yours truly,

Angela M. Fazio
