DO YOU WISH TO IMPORT SEMEN INTO AUSTRALIA ?

1. The Stallion must have a DNA type in his country of resident country and a suitable DNA type must be on file with a WAHO approved Arabian Horse Registry.
2. The Stallion must be approved for Artificial Insemination use and approved to Export Semen in their own country. (As per WAHO Regulations).
3. Stallion owners must ensure a copy of an International DNA, Permit to Export Semen and an extended pedigree together with a copy of the Stallions Registration Certificate is sent to the Arabian Horse Society of Australia from their respective Registry.
4. Stallion owner to advise as per application form as to who has authority to sign and where the Service Certificates are to be sent.
5. Contact the Quarantine Authority in Australia as to the Quarantine requirements for the specific country you wish to import semen from.
6. All Arabian fillies and colts (being registered as stallions) produced using frozen semen (whether domestic or imported) must be tested for SCID, LFS & CA prior to registration. Carrier foals will still be registered.
