Dear Leonie

I will not be able to attend the AGM for the Arabian Horse Society this year.

I would like to take this opportunity to commend you and your fellow Directors for the significant improvements, refocus and financial stability you have brought to the Society over the last four to five years.

The significant decisions and improvements that particularly come to mind include –

- the improved profitability of the business allowing for reinvestment
- the sale of the historic premises and relocation to allow the society to continue to service its members and create income producing assets
- the modernisation of the registry system and online studbook
- the conversion of the financial records to a modern and accessible accounting system
- the improvement in processes behind the scenes

Kind regards
Michele
