

Application for Recording a Horse in the AHSA Ltd. Arabian Performance Index

Valid from 16/3/2018

Check list

- This application is valid for horses and ponies with less than 12.45% documented Arabian Breeding which are not eligible for registration in one of the Arabian Derivative Registries.
- Proof of breeding must be attached to this application and may be in the form of an Approved Breed Society Registration Certificate, Service Certificate or Passport showing breeding/pedigree and ownership.
- Applications will only be accepted from the legal owner of the horse. Proof showing registered ownership or transfer with other Breed Societies is required. Where no proof of ownership exists then the application must be signed by the Breeder of the horse and an AHSA Ltd Transfer Application signed and submitted with this application.
- Applications will only be accepted from current financial Members or Associate Members of The Arabian Horse Society of Australia Ltd. Applications for membership can be found on our website www.ahsa.asn.au
- For all horses to be Stallion registered, a Veterinary Report is required confirming both testicles are descended into the scrotum. Confirmation of such report from other breed societies approved by AHSA will be accepted.
- Horse must be branded or microchipped – details to be provided on markings page
- The front and rear of this application must be fully completed, markings drawn and application signed with contact details supplied. Failure to comply may result in an additional **processing fee of \$20** being required.
- Registration fee of \$60.00 must accompany this application. If a payment plan is required this must be noted at the time of application. Credit Card application is on the markings page.
