SHOW RULES OF CONDUCT

This Horse Show is conducted in accordance with the Rules of the USEF, particularly the Arabian Horse Division. The official rulebook of USEF will prevail for this show. Each participant in this show is responsible for knowledge of these rules and is subject to these rules. Any changes or corrections of the rules will automatically become part of this prize list. Questions that may arise that are not covered by the USEF rulebook will be decided by the Show Committee and their decisions will be final.

ACCESS TO THE ARENA - Any exhibitor using the wrong number or having no number *may* be excused or disqualified from the class at the discretion of the call judge. No person other than the officials, steward, attendants on duty, and the judge of the class may enter the show ring without permission from the show committee.

ADHERENCE TO AHBA RULES OF CONDUCT - Organizing committee members, show officials, judges, exhibitors and handlers will unconditionally submit themselves and their accompanying persons to the 'Show Rules of Conduct and Procedures' and will accept the jurisdiction of the United States Equestrian Federation (USEF), the Arabian Breeders World Cup Show Committee (ABWCSC) and the USEF Steward. The ABWCSC, USEF and the USEF Show Steward shall not be liable for any consequence of any decision they may make. These Rules will be interpreted where necessary under the provisions by such committees. This show is not recognized by the Arabian Horse Association.

ADMISSION TO RING - There will be an assigned order of go in all Breeding/Halter and In-Hand qualifying classes. The Order of go shall be determined and posted by each horses birth date, youngest to oldest. The prescribed order of go must be adhered to. **Horses who have missed entering the arena in assigned order will be lead in by the steward to their assigned order of go position on the rail. It is the exhibitors/handlers responsibility to enter the arena in the posted order of go.**

BARN CALLS - Barn calls are a courtesy only. Exhibitors must ascertain when and where classes are being judged. Every effort will be made to advise the exhibitor of any changes in the Tentative Schedule. Due to unforeseeable problems with any mechanical device, the public address system and paddock calls over that system must be considered a courtesy. It is the responsibility of the exhibitor to be sure that their horse is at the gate at the prescribed time. Every effort will be made to maintain a working public address system to carry class calls, however no protest will be upheld, nor will any section or class be changed on the basis of the public address system malfunctions. Exhibitors are responsible for reporting all entries to the Gate attendant before each respective class is called for showing and must enter the ring promptly when called. No entry shall go out of order unless approved by the Show Office. **All gate holds MUST be registered and approved by the paddock master.**

CHEMICAL IRRITANTS/GINGER – Any trainer, owner, agent or other person who administers, attempts to administer, instructs, aids, conspires with another to administer, or employs anyone who administers or attempts to administer a chemical or other irritant of any kind onto the anus, vulva, rectal area or vaginal area of a horse entered to compete in a class in the Arabian division or any Arabian class at the Arabian Breeders World Cup shall be subject to penalties as provided for in section (i) below.

- (a) Competition management is authorized, at its own expense, to collect swab samples and have tested substances present on the anus, vulva, rectal area or vaginal area of horses prior to their entry and/or following their exit from the ring, in connection with a class in the Arabian division or any Arabian class at the Arabian Breeders World Cup as follows:
 - 1) Competition management may choose all horses in such a class to be sampled, or may select one or more placings from the class for sampling, or may select some of the horses from such a class for sampling. In making such selections, competition management may act on the request of a judge of the class but is not required to do so;
 - 2) Competition management shall appoint only a licensed veterinarian or veterinarians to supervise the sampling, who may utilize technicians working under direct supervision of the veterinarian(s);
 - 3) Competition management shall implement the chain of custody required by the laboratory for identifying the horse from which each sample was taken;
 - 4) Competition management is authorized to forward the samples for testing to the Iowa State University Laboratory or another comparable laboratory acceptable to USEF, and shall implement the chain of custody required by the laboratory for transporting the samples to and from the laboratory and while at the laboratory.
- (b) The trainer, owner, and their agents of a horse competing in a class must submit to the above sample collections performed by representatives of competition management, and they must do so with no unnecessary delays. They must cooperate with the sample collection personnel as defined above exhibiting polite attitude and actions toward them and must assist them by helping to restrain the horse properly during the sample collection(s);
- (c) In the event the laboratory reports to the competition management the presence of a chemical or other irritant of any kind in a horse's sample, competition management shall forward to USEF the original copies of the laboratory report, the analytical data, and the documented chain of custody for identifying the horse from which the sample was collected and identifying the laboratory results as being from that horse's sample.

- (d) Upon receipt of the above documents, USEF shall review those documents, relevant competition and Federation records, and shall determine whether this evidence serves as a basis for charges of rule violation against the horse's trainer, owner, and/or their agents, pursuant to Chapters 6 and 7. Any charges issued shall be heard and determined by the Federation's Hearing Committee pursuant to the procedures specified in Chapters 6 and 7;
- (e) In the event the Hearing Committee determines a violation has occurred, the trainer, owner and/or their agents each shall be subject to any and all penalties imposed by the Hearing Committee at its discretion pursuant to Chapters 6 and 7, including suspensions, fines, and the revocation and redistribution of winnings, notice or notices of which shall be published in Equestrian magazine. The suggested minimum penalty for a first offense is the revocation of all the horse's winnings in connection with the entire competition in question, and a suspension of 60 days with a fine of \$1000.00. Subsequent violations of this Article by any of the above individuals/entities shall be subject to such greater penalties as determined at the discretion of the Hearing Committee.

CLASS SPLITS - If the number of entries warrant, the classes may be split in two or more sections. If classes are split, sections will be added (A-E), with 8-15 horses in each. In each section the order of go will be established by age only. With exception: In sections where a handler has back-to-back entries, show management may insert the entry immediately following said back-to-back entries between those entries, to allow the handler a chance to rest and to continue the smooth flow of the class.

DISGUIISING OF EXHIBITS - No alteration of the basic color of the skin, coat or hooves is permitted. Coat dyes, glitter spray and cosmetic operations including skin grafts are forbidden. Colorless hoof varnishes, Vaseline or oil may be accepted. Artificial methods of dilating the eyes or affecting the natural action of the horse or otherwise influencing its action or behavior by oxygenating the bloodstream or by electrical or chemical treatment of any kind at any time before or during exhibition are forbidden. Burns, cuts or other marks on the body of any exhibit in such places or positions as indicate prohibited methods have been used, will be regarded by the Steward with veterinary advice as full and adequate grounds for exclusion of any exhibit from competition. No equipment intended to alter the natural appearance of the horse is permitted in the stables, including tailracks, hobbles or weights. Exhibitors using such equipment on the showground will be suspended by the Steward for the period of the show. In halter classes horses may be fully or partly body clipped subject to eyelashes being intact, an unroached mane, and a full natural tail. **Tactile hair left intact around the nose, muzzle and the eyes is encouraged – judges are NOT to penalize horses shown naturally with such hair left intact.**

DISCOURTESY OR DISOBEDIENCE - Exhibitors are warned that any act of discourtesy or disobedience to the officials on the part of the owner, trainer, handler, groom or member of the family of the person participating in the show, will disqualify the horse from adjudication. The management reserves to itself the right to remove a horse, owner, trainer, handler or groom from the show without being liable for compensation or damages. Excessive use of the whip on any horse in a stall, runway, schooling area, show ring or elsewhere on the competition grounds before or during a show, by any person, constitutes a violation and renders the offender subject to penalty. Judges will be expected to enforce this in the arena. Any action(s) against a horse by an exhibitor, which are deemed excessive by a judge, steward, Veterinarian or the Show Committee anywhere on the grounds may be punished by elimination and no refunds will be given. It is a violation of USEF Rules to commit any act or make remarks during the show that are considered offensive or made with intent to influence/cast aspersions on the judging, and any exhibitor may be barred from the show for this offense by Show Committee.

DRUGS AND MEDICATIONS - The drugs and medication rules contained in USEF Rule Book will be enforced. Horses in competition will be subject to examination by a licensed veterinarian appointed by USEF. Said appointed licensed veterinarian, with approval of the USEF, may appoint a technician to perform certain duties under USEF Rules. The examination may include physical, saliva, urine, blood tests or any other test or procedure at the discretion of said licensed veterinarian necessary to effectuate the purposes of this rule. These representatives must be treated with respect. All horses will be charged a mandatory Drugs and Medications fee which will be paid directly to USEF to provide for research, inspection, and enforcement of rules regarding use of medications and drugs. Any exhibit may be tested at the request of a judge or steward. **CAUTION: Refusal to submit a horse for examination, whether in competition or not, and to cooperate with the veterinarian and technicians until the samples have been taken, constitutes a violation and subjects the responsible person to the penalties under the rules.** (Refer to USEF Chapter 4: Drugs and Medications.)

INSURANCE ADVISORY - Due to the number and quality of horses expected at the Arabian Breeders World Cup, we urge each exhibitor to verify their liability insurance coverage, and their livestock mortality coverage, with their own insurance carrier(s). Be sure your coverage is in effect. The Arabian Breeders World Cup and the Arabian Horse Breeders Alliance, its members, agents, employees, and volunteers accept no responsibility for losses sustained or caused by any exhibitor.

HAZING –Hazing of horses by exhibitors, grooms and event attendees will be strictly controlled. One approved ABWC “Performance Enhancer” will be present on the far side of the ring to enhance individual in-hand performances. These ABWC designated Performance Enhancers will be permitted to use a whip (provided by the Show Committee) to encourage individual exhibits to achieve a maximized performance within the designated areas inside the ring. Performance Enhancers shall not be allowed to raise the whip above shoulder level at any time within, as well as entering or exiting the ring. Horses shall not be allowed to be intimidated or to respond in fear. Each exhibit shall be allowed only one personal Performance Enhancer to accompany that entry into the Chute area in order to enhance the entrance into the ring for the individual showing portion of the class. The Performance Enhancer entering the chute for this purpose must display an official ABWC “Chute Pass”. No other Performance Enhancers will be permitted to enter the chute area.

INDEMNITY AND NON-RESPONSIBILITY - All entries are accepted with the understanding that the Arabian Horse Breeders Alliance will not be held responsible for any loss, damage or injury to any horse exhibited or any article of any kind. - (d) Show Committee reserves the right to designate a call judge in all classes.

LIBERTY JACKPOT –The ideal liberty horse is brilliant, confident, and has Arabian type while performing with a look-at-me attitude. Ultimately the liberty horse should have great expression and is exciting to watch perform loose in the arena. Horses are to give a brilliant performance with style and presence while making use of the entire arena. If an individual horse is average or below average for a single criteria, please only deduct from its score in that particular criteria. Judges are required to consider each category of the performance equally. Each individual criteria will be given a score from 1-10 with 10 being the highest. Freestyle Liberty is not to be judged solely on the individuals trot. Some horses may trot very little but will still exhibit type, animation, and presence while giving a brilliant performance. Judging criteria/categories: 1) Arabian Type 2) Animation & Charisma 3) Movement 4) Use of Arena 5) Crowd Participation **FREESTYLE LIBERTY RULES**- Open to purebred Arabian horses only. Horses must be shown without tack, equipment, artificial appliances or appendages. A two-minute time limit will be allowed for each horse in the qualifying rounds and in the championship final round for the horse to perform at Freestyle Liberty. Time and music will start when halter is removed. Time will expire at the signal of the time keeper; at this time handlers have two minutes to retrieve horse or it will be eliminated from the class. No more than two handlers per horse are allowed in the ring at one time. Handlers will lead horse to designated marker. While at liberty, the horse may perform at any gait, horses may perform tricks within their 2 minute time at liberty to count towards their overall performance score. Handler(s) shall not touch the horse with whip or ride the horse at any time from entrance into the show ring until after the expiration of the time limit. The use of a standard halter show whip is allowed. Each entry will furnish music for their performance; the music must be marked with the horse’s name, entry number. If no music is supplied, the show reserves the right to select the music. All judges will score each horse. The scoring system is from 1-10 in five categories: Arabian type, animation and charisma, movement, use of the arena and overall performance, with a possible high score of 50. These classes are not AHA or USEF-Recognized or approved classes. The Show Committee shall handle all disputes and inquiries and their decision shall be final. **Jackpot prize money will be paid out in the Arabian World Cup Freestyle Liberty Jackpot Championship.** \$150 from every entry in Liberty Jackpot will be added to the total purse. The remainder of the class will be exhibited in chronological age order from youngest to oldest following the first horse shown. The oldest horse in the class will be shown immediately following the youngest, should the oldest horse not be the first horse shown.

- (d) Following the trot each entry will then be exhibited as a halter horse in the designated presentation area directly in front of the VIP seating section. Horse to be presented for evaluation by judging panel in a controlled, yet uninhibited and/or intimidated manner. Horse shall stand squarely on all four legs and shall be shown with natural elegance and professionalism. Excessive use of the whip and/or horses that appear intimidated or fearful of the handler **WILL BE** penalized by the Judging Panel, and may result in expulsion from the ring.
- (e) Horse and handler to be excused from the ring at the formal request of the ring steward. Horses are to exit ring at a either a controlled walk or trot towards the Entry/Exit. Handlers are requested to use extreme caution when exiting as to not inhibit the performance of any successive entry.
- (f) All entries **MUST** remain in the designated warm-up/holding area prior to individual presentation and preferably throughout the entire class process or at least until the Top Five winners for the class in question have been announced by the Paddock Announcer. Any entry not complying with this requirement will be eliminated from further judging and **WILL NOT** be eligible for any award in the class in which the infraction occurred.

- (g) Only one handler per exhibit is permitted in the ring at any one time. Handlers may present more than one horse per class, provided that there is a capable handler for each horse during the initial group judging and during the awards presentation.

- (o) These classes will be recognized by the USEF but are not rated classes. As non-rated classes, they will not earn USEF points towards end of the year awards.

CLASS CONDUCT –SUPREME CHAMPIONSHIPS (Breeding & ATH) – Supreme Breeding Championship classes will be officiated by all eight judges.

First, second and the ten (10) highest scoring *entries (based on entry scores)* from each division (i.e. Yearlings, Juniors & Seniors) will be eligible to compete in each respective Supreme Breeding Championship. All Championships will be judged independently and comparatively, judges must not confer. Judges will examine all horses individually: walking, trotting, and standing. All entries **MUST** remain in the designated warm-up/holding area throughout the entire championship class process or until the winners for the classes have been announced by the Paddock Announcer. Any entry not complying with this requirement will be eliminated from further judging in the supreme championship class and **WILL NOT** be eligible for any awards.

- (a) All qualified horses to be shown individually at the beginning of each championship class.
- (b) Horse to enter ring at a walk or a trot in hand, horses shall be encouraged to move with elegance, impulsion and charismatic animation at the trot exhibiting authentic Arabian type around the entire circumference of the ring.
- (c) Following the trot, each entry shall exit the ring following the instructions of the Ring Steward. Handlers are requested to use extreme caution when exiting as to not inhibit the performance of any successive entry.
- (d) Horses will be presented youngest to oldest from until every horse from each successive age division has been trotted individually for the championship judging panel.
- (e) The individual presentations at the trot should optimize the opportunity for the championship judging panel to properly assess not only overall quality and capability of movement, but Arabian type, presence, attitude and charisma as well, for each championship entry.
- (f) Immediately following the individual presentations at the trot, all championship entries shall enter the ring collectively at a walk in a clockwise direction in age order youngest to oldest. The purpose of this presentation is to allow the Judging Panel to collectively assess the quality of the championship entries at a natural walk. All horses shall circle clockwise at a controlled walk around the entire circumference of the ring completing one (1) complete circle at the instruction of the Ring Steward(s).
- (g) The first entry shall line-up approximately 20 ft (6 m) off the rail and facing the in-gate. The first half (5-7 horses) of the championship candidates shall line up head-to-tail behind the initial entry, leaving adequate space for showing and adjudicating. Entries should be evenly spaced in each line with at least 10 ft (3 m) of space between horses' head-to-tail. **The lining up of horses DOES NOT indicate a ranking of horses in a Supreme Championship. ALL horses are considered equal in each Supreme Championship regardless of the line in which the stand. Each horse has an option of being named Gold Champion.**
- (h) Each entry will then be exhibited **INDIVIDUALLY** as a halter horse to determine championship placings. Horse to be presented for evaluation by judging panel in a controlled, yet uninhibited and/or intimidated manner. Horse shall stand squarely on all four legs and shall be shown with natural elegance and professionalism. Excessive use of the whip and/or horses that appear intimidated or fearful of the handler **WILL BE** penalized by the Judging Panel, and may result in expulsion from the ring. No individual scores shall be awarded – **all judging in the championship classes shall be comparative.**
- (i) Judges will move as a group to evaluate each horse in succession. All judges will begin adjudicating each championship horse; judges will then proceed as a group to the next horse, until all horses have been evaluated by the Judging. During the collective evaluation of each Supreme Championship immediately following the collective walk, **exhibitors are ONLY allowed to stand-up/show and/or prepare horses for presentation when the Judging Panel is either evaluating their horse or evaluating the horse immediately prior. Only TWO (2) horses should be showing at any time in the arena during the group evaluation by the Judges.**
- (j) **Once an entry has been evaluated, exhibitors MUST cease from presenting the exhibit until all horses have been evaluated** by the Judging Panel collectively. As with the horses waiting to be evaluated, exhibitors are encouraged to stand alongside the horse facing the audience until all exhibits have been evaluated. Once the final horse has been evaluated by the collective group of Judges, Judges are free to roam the arena to evaluate horses individually. At this time, exhibitors may stand-up and present their horses at will.

SCORING SYSTEM - ARABIAN BREEDERS WORLD CUP QUALIFYING CLASSES – For use in all Breeding & In-Hand Qualifying Classes including Amateur to Handle (ATH) classes and AHBA Futurity classes. Individual scores will awarded by each officiating judge using the Arabian Breeders World Cup Scoring System™ and the corresponding score card (see sample Arabian Breeders World Cup Score Card in this premium). A score of 10-20 will be awarded for each entry in the following six categories:

- | | | |
|------------------|---------------------|-----------------|
| (1) Arabian Type | (3) Neck & Shoulder | (5) Feet & Legs |
| (2) Head | (4) Body & Topline | (6) Movement |

These scores will be 'unweighted' with a total of 120 possible points per judge. The tabulated scores of each judge will then be added together for the **Total Score** from a total of 840 possible points. The horse receiving the highest **Entry Score** in each class will be declared the class winner. The horse receiving the second highest **Entry Score** will be declared the second place winner, and so on. **IN THE CASE OF A TIE:** The horse awarded the **HIGHEST TOTAL SCORE IN THEIR QUALIFYING CLASS** shall be declared the winner. Should the total points for two or more horses in the qualifying class be the same, the horse receiving the higher total points for **TYPE** (Total Category Score) shall be declared the winner. Should the total points for **TYPE** be the same, the horse receiving the higher points for **MOVEMENT** (Total Category Score) shall be declared the winner. Should the horses further prove to be tied in points for both **TYPE** and **MOVEMENT**, the horse receiving the **HIGHER PRELIMINARY ACCUMULATED SCORE FROM THE DESIGNATED CALL JUDGE IN THAT CLASS SHALL BE DEEMED THE WINNER.** Should the horses still be tied, the horse receiving the higher Preliminary Accumulated Score from the designated Judge 2 in that class shall be deemed the winner. Should the horses still prove to be tied, this process of breaking ties shall continue through the designated Judge 7 for that class until a clear winner can be decided. Should the tie prove impossible to break according to points awarded by the seven judges who officiated the class, the tied horses in question will be asked to return to the ring to be comparatively judged by the Reserve Judge (the Judge who did not officiate in the class). The decision of the Reserve Judge will be Final.

QUALIFYING FOR SUPREME CHAMPIONSHIP: For each Supreme Championship the first and second place horse in each qualifying class and entries earning the ten (10) highest Total Entry Scores will qualify to compete in the Supreme Championships. A ranked list of top ten scores will be compiled across ALL qualifying classes in each respective age/sex division. **These top ten highest point score qualifiers will be chosen ONLY from those horses placed first (1st) through fifth (5th) in the qualifying classes.** Supreme Championships will consist of the following age designations:

- (a) Supreme Yearling Championships - Eligibility for all qualified horses one (1) year of age
- (b) Supreme Junior Championships – Eligibility for all qualified horses aged two (2) & three (3) years of age
- (c) Supreme Senior Championships – Eligibility for all qualified horses aged four (4) years of age and older

Supreme Breeding Championships Scoring System – The Arabian Breeders World Cup uses the FULLY INCLUSIVE Championship Scoring System for all Supreme Breeding Championships. Under such a system, all entries are treated equally in a Supreme Championship class, regardless of the score or placing earned in the Age Division Championship Qualifying classes. ANY entry in a Supreme Championship may be awarded the title of Gold Champion. Judges will rank 4 (four) horses in order of preference for his/her Supreme Champions: specifically the ranking of GOLD, SILVER, BRONZE and an Alternate (*in case of disqualification of any horse placing Gold, Silver or Bronze*).

Supreme Breeding Championship Point Schedule:

GOLD – 4 Points

SILVER – 2 Points

BRONZE – 1 Point

Gold Supreme Champion will be determined by the MAJORITY of Gold placings awarded by the judges. The Supreme Silver and Bronze Supreme Champions will be determined solely by points calculated from the Supreme Breeding Championship Point Schedule above. **Rules For Ties** In the case of a tie for GOLD (no Majority) in the Supreme Breeding Championship, the GOLD will be awarded to the horse with the highest combined points awarded by the Supreme Breeding Championship Point Schedule. Should there still be a tie, the procedures in “Rules for Ties.” shall apply. In the case of a tie for Silver or Bronze Champion, the higher place will be given to the horse with the highest qualifying points in the qualifying classes. If there is still a tie, the higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points for movement. Failing a decision thus far, one judge chosen by ballot will name his/her preference.

Following the judging, all horses will be excused from the ring. During the awards ceremony, introduction of horses will begin with the Bronze Supreme Champion will be announced and honored. Immediately preceding, the Silver Supreme Champion will be announced and awarded. Immediately following, the Gold Supreme Champion will be announced and decorated. All Top Ten, Bronze, Silver & Gold Supreme Champion award winners will be asked to participate in the photograph session as well as a lap of honor when exiting the ring. Official judges’ cards will be posted in the show office immediately following each supreme championship.

In the event a class winner is unable to participate in the supreme championship class for as a result of disqualification, the horse placed second in that class will move forward and be judged as the class winner. The horse placed third in the qualifying class may also move up to second place in the supreme championship, will be judged accordingly and will be eligible for Gold Champion, Silver Champion & Bronze Champion as well as Top Ten honors. Should a class winner be excused from the ring by the judges during the supreme championship for any reason, this horse will be deemed to have taken part in the championship class and, therefore, negate the opportunity of the second placed horse to be judged as a class winner. Substitutions for absent class winners or second place horses by third placed or lower ranked horses will not be permitted under any circumstance. All horses that qualify for their respective supreme championships must participate in the championship class. Failure to compete in the supreme championships will disqualify the horse from the class. In the event of a disqualification, horses placed below the disqualified horse will move up a place in the class but are not entitled to enter the supreme championships.

Arabian Breeders Cup

Sponsored by:
The Arabian Breeders Horse Alliance

The Arabian Horse Breeders Alliance is proud to sponsor the Arabian Breeders Cup, the ultimate honor of the Arabian Breeders World Cup Show. As a breeder driven organization committed to promoting the breeding of the purebred Arabian horse, the AHBA understands the significance of recognizing the contribution of dedicated breeders. To honor this commitment, the Arabian Breeders Cup Perpetual Trophy has been established.

The Arabian Breeders Cup Perpetual Trophy is awarded annually to the breeder who achieves the greatest success with horses shown. All horses competing in the show will earn points for success in both qualifying classes and championships. The original breeder (defined as that breeder listed as such on the original registration papers in the stud book of origin) that accumulates the greatest number of points with multiple horses attributed to one breeding program in each annual event will be awarded the Arabian Breeders Cup.

Arabian Breeders Cup Point System			
Class Placing	Points Awarded	Championship Placing	Points Awarded
1 st Place	10 points	Gold Champion	50 points
2 nd Place	8 points	Silver Champion	40 points
3 rd Place	6 points	Bronze Champion	30 points
4 th Place	4 points	Top Ten	15 points
5 th Place	2 points		

In recognition of this achievement, the winning breeder will receive a replica of the Arabian Breeders Cup trophy, a companion award and will have their name and year of achievement engraved on the Arabian Breeders Cup perpetual trophy. The perpetual trophy shall remain the sole property of the Arabian Horse Breeders Alliance, and shall be displayed at all major events where the AHBA has a presence, including the annual Arabian Breeders World Cup in Las Vegas, the Scottsdale All Arabian Horse Show and the Arabian Finals.

The Arabian Horse Breeders Alliance is delighted to honor the breeders that continue to ensure the future and prosperity of the Arabian horse with the Arabian Breeders Cup. Be a part of the excitement – be a part of Arabian horse history.

The Arabian Horse Breeders Alliance is pleased to include the AHBA Auction and Legacy Futurity classes in conjunction with the Arabian Breeders World Cup in Las Vegas. The Legacy Futurity expands upon the highly successful AHBA Futurity Program, providing further opportunity for breeders to win significant prize money for young horses!

The AHBA Legacy Futurity will sponsor two classes on Thursday and two on Saturday the Arabian Breeders World Cup. The Auction classes will both be held on Thursday:
