## **Educational Background and Business Background**

Jack was born in 1994. Jack received a Bachelor of Arts degree in Economics and History from the University of Virginia in 2016 and has been working in the financial services industry since 2016:

- Compton Wealth Advisory Group, LLC - Financial Advisor; September 2020 – Present
- Equitable Advisors – Provisional District Manager; 09/2019 – 09/2020
- Equitable Advisors – Registered Representative; 07/2016– 09/2019

## **Disciplinary Information**

Jack has not been involved in any legal or disciplinary events that would be material to a client's evaluation of Jack or of Compton Wealth.

## **Other Business Activities**

Jack is licensed as an independent insurance agent and can sell insurance and may receive commissions for insurance product sales. The potential for the receipt of commissions gives an incentive to recommend investment or insurance products based on the compensation received, rather than on the client's needs. However, Jack only recommends securities and insurance products that he believes are suitable for you. Please ask Jack If you have any questions regarding the compensation he receives when recommending a product. You are under no obligation to purchase investment products or insurance through Jack.

## **Additional Compensation**

Jack does not receive economic benefits from any person or entity other than those mentioned above in connection with the provision of investment advice to clients.

## **Supervision**

Jack's activities are overseen by Compton Wealth's Director of Compliance, who can be reached directly by calling the telephone number on the cover of this brochure supplement.

\* The RICP® designation teaches advisers techniques and best practices used to create sustainable streams of retirement income. The education covers retirement income planning, maximizing Social Security and other income sources, minimizing risks to the plan, and managing portfolios during the asset distribution phase. The designation includes three required, college-level courses that represent a total average study time of more than 150 hours. RICP® designees must meet experience, continuing education and ethics requirements. The credential is awarded by The American College, a non-profit educator founded in 1927 and the highest form of academic accreditation.
