Past performance may not be indicative of future results. Therefore, no current or prospective client should assume that future performance of any specific investment or investment strategy (including the investments and/or investment strategies recommended or undertaken by Gage Wealth Management made reference to directly or indirectly by Gage Wealth Management in its web site, or indirectly via a link to an unaffiliated third party web site will be profitable or equal the corresponding indicated performance level(s). Different types of investments involve varying degrees of risk, and there can be no assurance that any specific investment will either be suitable or profitable for a client or prospective client's investment portfolio. Historical performance results for investment indices and/or categories generally do not reflect the deduction of transaction and/or custodial charges, the deduction of an investment management fee, nor the impact of taxes, the payment of which would have the effect of decreasing historical performance results.

Please remember that different types of investments involve varying degrees of risk, and there can be no assurance that the future performance of any specific investment or investment strategy will be profitable. Certain portions of Gage Wealth Management web site (i.e. newsletters, articles, commentaries, etc.) may contain a discussion of, and/or provide access to, various positions and/or recommendations made by Gage Wealth Management and/or those of other investment and non-investment professionals as of a specific prior date. Due to various factors, including changing market conditions, such discussions and/or positions may no longer be reflective of current position(s) and/ or recommendation(s). Moreover, no client or prospective client should assume that any such discussion or information presented serves as the receipt of, or a substitute for, personalized advice from Gage Wealth Management, or from any other investment professional.
