

VITAMIN C

Vitamin C, the body's main water-soluble antioxidant, strengthens immunity, aids wound healing, and supports overall good health. Besides its own powerful antioxidant role, it is an integral part of the body's antioxidant "defense team" and helps "recharge" the body's main fat-soluble antioxidant, vitamin E. Vitamin C is needed to make collagen, the cellular "cement" that provides structure to skin, bones, blood vessels, and other tissues. Diets rich in vitamin C are linked to increased longevity and promotes cellular health, cardiovascular, and eye health. As vitamin C is water-soluble, it can't be stored in the body for long—it must be replenished daily. As important as this "protector" nutrient is, more than half of us do not consume the Recommended Dietary Allowance each day. Neolife provides two excellent choices to address this "gap": Threshold Controlled **Super C** for sustained release over six hours or more, and delicious **All-C** for a chewable option. Our products feature high-potency, high-purity vitamin C plus vitamin C-related factors from whole citrus fruits. All Neolife vitamin C products include our exclusive **Neo-Plex Concentrate**—virtually everything from whole oranges but the water—for better absorption and utilization.

NeoLife Scientific Advisory Board

#3333, 200 Tablets

#3332, 250 Tablets

Why Vitamin C?

- As an **essential nutrient**, vitamin C is required for overall vitality and plays important roles in maintaining the health of connective tissue, blood vessels, immune system cells, eyes, gums, teeth, bones, and other tissues and organs.*
- As a **potent water-soluble antioxidant**, vitamin C helps protect body fluids and the watery portions of cells from free-radical damage.
- Vitamin C helps maintain cellular integrity, cardiovascular health, and supports healthy aging.*

Our Solution: All-C and Super C Threshold Controlled

- **High-potency, high-purity vitamin C and vitamin C-related factors from oranges, lemons, and grapefruit enhance bioavailability.** All-C and also contain rose hips and acerola cherries — nature's richest vitamin C sources!
- **Neolife's exclusive Neo-Plex Concentrate provides virtually everything from whole oranges except the water:** juice factors (vitamin C, bioflavonoids, etc.) and rind and pulp factors (including flavedo, mesocarp, endocarp, and protopectins).
- **Other whole-food bioflavonoids assure broad-spectrum protection**—rutin from buckwheat, hesperidin from grapefruit, and bioflavonoid complex from lemon.
- **Two potencies, two forms.** Available as chewable tablets and our exclusive Threshold Controlled tablets.

VITAMIN C

Super C Threshold Controlled

SUGGESTED USE: 1 tablet daily.

Supplement Facts		
Serving Size: 1 Tablet		
	Amount Per Serving	% Daily Value
Vitamin C (as ascorbic acid)	430 mg	717%
Rutin	10 mg	†
Hesperidin	10 mg	†
Lemon Bioflavonoids	10 mg	†
Neo-Plex Concentrate	115 mg	†
Orange Juice powder (<i>Citrus sinensis</i>) (fruit); Orange powder (<i>Citrus sinensis</i>) (peel), Citrus Bioflavonoid		
† Daily Value not established		

OTHER INGREDIENTS: Hydroxypropyl methylcellulose, dicalcium phosphate, stearic acid, triacetin, silicon dioxide, magnesium stearate and riboflavin.

Vitamin C provides antioxidant activity, and is critical in the formation and maintenance of connective tissue. Vitamin C also supports proper functioning of the immune system.*

Vegetable sourced NeoLife vitamin C products with Neo-Plex Concentrate contain the phytonutrients spectrum of whole oranges, delivering vitamin C as nature intended. NeoLife's Threshold Controlled formula helps maintain elevated blood levels of vitamin C with a slow release over six hours.

Store in a cool, dry place, away from direct sunlight.

Packaged with safety seal.

All-C

SUGGESTED USE: 1 chewable tablet daily.

Supplement Facts		
Serving Size: 1 Tablet		
	Amount Per Serving	% Daily Value
Vitamin C [as Ascorbic Acid and from Rosehips (<i>Rosa canina</i>) (fruit) and Acerola (<i>Malpighia puniceifolia</i>) (fruit)]	206 mg	343%
Rutin	5 mg	†
Hesperidin	5 mg	†
Lemon Bioflavonoid	5 mg	†
Neo-Plex Concentrate	114 mg	†
Orange Juice powder (<i>Citrus sinensis</i>) (fruit); Orange powder (<i>Citrus sinensis</i>) (peel); Citrus Bioflavonoid.		
† Daily Value not established		

OTHER INGREDIENTS: Sucrose, glucose, fructose, magnesium stearate, silicon dioxide, natural and artificial flavors and carmine.

Vegetable sourced NeoLife vitamin C products with Neo-Plex Concentrate contain the phytonutrient spectrum of whole oranges, assuring that you receive vitamin C just as nature intended. Rose hips, Acerola cherry and other phytonutrients are also included to support maximum utilization of vitamin C. Deliciously sweet, with the same sugars in the same ratios as a section of whole orange.

Vitamin C provides antioxidant activity, and is critical in the formation and maintenance of connective tissue. Vitamin C also supports proper functioning of the immune system.*

Store in a cool, dry place, away from direct sunlight.

Packaged with safety seal.
