

VITAMIN E PLUS

Nature's "master antioxidant" and an essential nutrient, vitamin E supports overall health and vitality. Research especially links higher vitamin E levels with strengthened immunity and cardiovascular health. NeoLife's Vitamin E Plus is more than just alpha-tocopherol: It provides balanced ratios of the entire vitamin E family of tocopherols and tocotrienols as they exist in whole foods. Its water-miscible foundation is pure, cold-pressed wheat germ oil with lecithin, a natural emulsifier.

NeoLife Scientific
Advisory Board

#3341, 200 Softgels

Why Vitamin E?

- As an antioxidant, it protects cell membranes from free radical attack.*
- As an essential nutrient, it is required to promote and maintain good health.*
- Supplementation at 200-800 I.U. daily may dramatically support cardiovascular health.
- Vitamin E may help boost immunity.

Our Solution: Vitamin E Plus

- Features the entire vitamin E family from whole-food sources. Vitamin E Plus provides the entire vitamin E family of tocopherols and tocotrienols—not just alpha-tocopherol—in balanced ratios that occur in natural foods.

- A foundation of pure wheat germ oil. Cold-pressed, unrefined wheat germ oil is the product base.
- High-potency. Delivers 275 I.U. alpha-tocopherol plus 50 mg of non-alpha-tocopherol family members per capsule.
- Water-miscible for improved absorption. NeoLife's water-miscible formulation quickly disperses into small particles that are easily absorbed.
- Softgel capsules dissolve quickly.
- Only 10 calories per capsule. Provides nutrient density without excessive calories.

SUGGESTED USE: 1 or 2 softgels daily.

Supplement Facts		
Serving Size: 2 Softgels		Servings Per Container 50
Amount Per Serving		% Daily Value
Calories	20	
Calories from Fat	18	
Total Fat	2 g	3%**
Saturated Fat	0 g	†
Vitamin E (d-alpha-tocopherol)	550 IU	1833%
Wheat Germ Oil	550 mg	†
Mixed non-Alpha Tocopherols	100 mg	†

** Percent Daily Values are based on 2,000 calorie diet

OTHER INGREDIENTS: Gelatin, sorbitan monooleate, glycerin, soy lecithin, water, rice bran oil and apple pectin.

Vitamin E strengthens immune response and promotes cardiovascular health. Tocopherols and tocotrienols provide important antioxidant activity throughout the body.*

100% food sourced components provide the complete vitamin E spectrum as found in nature. By combining cold pressed, unrefined wheat germ oil with high potency soy lipid extracts, Vitamin E Plus provides all four tocopherols and all four tocotrienols of the vitamin E family.

NeoLife's breakthrough water miscible technology, derived from a unique blend of components, including apple pectin and lecithin, encourages faster, more efficient absorption of vitamin E.

Store in a cool, dry place, away from direct sunlight.

Packaged with safety seal.
