

# ENRICHING CONDITIONER

Brushing, combing, heat styling, exposure to airborne pollutants and chemical treatments can take a toll on your hair! Enriching Conditioner brings back the vibrant, touchable, manageable hair you love by delivering moisture where it's needed most. Pro-Vitamin B<sub>5</sub> (Panthenol), Sweet Almond Extract, and moisturizing conditioners restore healthy body and shine.

## Why Hair Conditioner?

- To help restore hair's original shiny, lithe and youthful performance and reverse the damage that occurs from styling and loss of moisture.
- To augment hair's natural protective sebum layer, that's been compromised by sun, wind, styling, coloring and even combing and brushing.
- To help hair retain it's normal moisture balance, assisting the control of split ends, preventing dry, brittle and "fly-away" hair with a mind of its own.
- To give hair more manageable body, and help prevent snagging and tangling.

## Our Solution: Nutriance Enriching Conditioner

- Unique blend of conditioners that bond with hair shaft to promote soft, free flowing, glorious and youthful hair. Dry and damaged hair is restored. Helps provide protection from subsequent styling and other environmental challenges.

- Enriched with Sweet Almond Extract and Pro-Vitamin B<sub>5</sub> (Panthenol) to help maintain hair's natural protective lipid balance and give hair added body and luster.
- Designed as the perfect complement to Nutriance Revitalizing Shampoo.
- Gentle, free-rinsing formula leaves hair vibrant and easy to manage; tangle-free.
- The Nutriance Personal Care line delivers salon-quality performance from luxurious hair and body care products you can enjoy at home every day.
- Water soluble formula helps maintain a healthy hair and scalp pH.
- Clinically tested in Europe's most prestigious dermatological research facility.
- A fresh, clean fragrance your whole family is sure to love. High quality fragrance components have a pleasing, subtle aroma that never overwhelms.
- Paraben free
