Omega-3 Liquid - #3503

- Over 1,000mg of omega-3s
- Natural lemon flavour
- For adults and children

An O'-FISH'-ALLY delicious bottle of omega-3 goodness, infused with a hint of natural lemon and complete with all eight members of the family of omega-3s.

Neolife Omega-3 Liquid is an easy way to add omega-3s to your diet.

- The first and only liquid omega-3 with standardized amounts of all 8 omega-3s found in human nutrition.
- Promotes heart health, brain development, concentration, learning capacity, vision, and so much more!
- Each 1 teaspoon serving provides 1,070mg of omega-3 fatty acids, including 460mg EPA and 480mg DHA.
- Ultrapure and potent fish oil screened for 200+ potential contaminants.
- 1 teaspoon provides the omega-3 equivalent of approximately 1 serving of fresh salmon.
- Enjoy on its own or creatively add to your favourite foods and shakes—drizzle on salads or grilled veggies!
- No artificial anything! No artificial colours, flavours, sweeteners, or preservatives added.

*The taste is amazing,  
like lemonade.*

Moriah, Age 11

*Wow, that didn't taste like fish!  
Tastes like a vanilla/lemon icy or  
lemon meringue pie when mixed with  
Performance Protein.*

Stephen, Age 12

*Mmmmm-yum!*

Meiomi, Age 9 months

*Lemon omega is yummy.  
More please now.*
