

225ml - SA

Studies are increasingly showing the important part that fibre plays in today's modern over refined diet. Insufficient fibre can result in constipation. Fibre also contributes to a pleasant feeling of fullness when taken with a glass of water prior to a meal and can therefore be of benefit in a weight loss programme.

GNLD's Fibre Tablets contain a unique blend of fruit, vegetable and grain fibres and are an excellent source of fibre in any normal diet.

Store in a cool, dry place below 25°C, protect from light.

KEEP OUT OF REACH OF CHILDREN.

MADE FOR:

GNLD International,
Gauteng, South Africa
& Lagos, Nigeria
by Natural Formulas,
2125 American Ave,
Hayward, CA, USA
