

100cc PH

Cruciferous Plus® is the first product of its kind to provide a convenient way to supplement the diet with a full spectrum of the active constituents in cruciferous vegetables known to play important roles in human health and nutrition. Each tablet provides the phytonutrient profile of an optimal serving of cruciferous vegetables.

Each tablet provides 525 mg of bioactive ingredients, delivering protective phytonutrients from a broad spectrum of the cruciferous vegetable family, including isothiocyanates, sulforaphane, and indolecarbinols, plus D-limonene from oranges, chalcones from licorice root, and isoflavones from soy, including genistein.

Store in a cool, dry place at temperatures not exceeding 30°C.

Packaged with safety seal.
