## **NEOLIFE®** Garlic Allium COMPLEX

Garlic Allium Complex includes whole food components

from across the allium vegetable family and provides allicin equivalent to a full clove of garlic. NeoLife's Targeted Delivery Technology ensures these key components react together where they are needed to produce over 4,200 µg of fresh active allicin.

Garlic Allium Complex contains pure garlic of the highest Allicin yield, exclusive 10x extracts of garlic and onion, plus NeoLife's exclusive Targeted Delivery Technology that protects sensitive compounds and ensures maximum bioavailability in the intestinal tract.
