

ENRICHING CONDITIONER

Hair Conditioner

This unique conditioner is a multi-phase cationic system combined with scientifically proven, functional compounds that penetrate and bond to hair, hair shafts and scalp tissues. Panthenol (provitamin B-5), sweet almond extract and other ingredients soften the hair, reduce tangles, and minimises hair breakage. Enriching Conditioner normalises moisture balance and protects the hair, leaving it soft, lustrous and healthy.

Instructions: After shampooing hair, apply a small amount to the palm of hand. Gently massage through your hair. Leave on for about one minute. Rinse well.

Store in a cool, dry place below 25°C.

Ingredients: Water, Cetearyl Alcohol, Dicytyldimonium Chloride, Sweet Almond Extract, Panthenol, Citric Acid, Stearamidopropyl Dimethylamine, Fragrance, Phenoxyethanol, FD&C Yellow No. 6, Isopropyl Alcohol, Glycerin, Ethylhexylglycerin.

GNLD products are formulated and manufactured exclusively for GNLD Distributors.
